OFFICE OF THE LEGISLATIVE COUNSEL

Tuesday - 17 April 1962

1. (Unclassified - GLC) Ben Mandel, of the Senate Internal Security Subcommittee staff, called and requested a copy of a Yugoslavian document entitled "Communist Chinese Background of the Campaign Against Yugoslavia." I told Mandel we would endeavor to get this document for him.

2. (Internal Use Only - JSW) Met with Representative Robert F. Ellsworth pursuant to his request and discussed with him some of the work of the General Counsel's office of the Agency and its use of private attorneys. He had referred for possible utilization by the Agency an attorney in Lawrence, Kansas. We discussed other general aspects of the Agency's work. He was most grateful for the explanation of our four Subcommittees and the procedures by which we keep them advised.

3. (Internal Use Only - JSW) Talked with Robert Smart who indicated an interest in getting a further briefing on subjects which would be of concern to Mr. Lundahl. I indicated we could lay this on at a convenient time and he suggested Wednesday, April 25. Appropriate arrangements will be made.
